Chapter 1: Introduction & Concepts

MAP KEY

Position	Action

Opponent Reaction	Result

System

Start

Both people are standing → Tiger Claw swipe, grab lapel → Pull guard with the lapel → Open Guard with just the lapel

Playing guard with no lapel → Tiger Claw swipe with foot to open lapel → Open Guard with just the lapel

Open Guard with just the lapel → Recovered guard successfully

Open Guard with just the lapel → Opponent drops to both knees → Chapter 8: Gubber Guard System

Open Guard with just the lapel → Lay flat on back, feet go to both shoulders. (Don't put feet into the hips or knees)

Lay flat on back → Lasso the lapel. → Chapter 10: Lapel Lasso System

Opponent tries to push feet down → Heel goes inside lapel pocket, apply hamstring curl → Square back up with opponent to original position

Opponent tries to push feet left/right → Apply counterforce in opposite direction, into the lapel. → Square back up with opponent to original position

Opponent tries to push feet up → Turn to your side, place foot underneath lapel, and apply upward force.
